

New Family Coffees

The Welcoming Committee is holding New Family Coffees for Valley Forge Middle School parents whose families are new to the school district (those who have recently moved here, transferred from a private school, etc.).

People can come for any portion of the time to connect with other newcomers and learn more about the school and the community. There is no official agenda or topic of the month; it's an informal way for us to get to know each other and to answer whatever questions you have.

If you're not new to the district but you want to help welcome new families, feel free to come out and join us as well!

If your family is new to the district, we would love to match you with a welcoming committee member, but we need your permission to do so. Multilingual speakers are also available in many languages to reach out to families whose native language is not English. Please contact us at the email address above to get connected!
